RE: Approval of an Integrated Aquatic Vegetation Management Plan
for Lake Tahuyeh (IAVMP)

Site name: Lake Tahuyeh

Location: Bremerton, WA

Ref. (1) Department of Ecology Approval Letter Dated March 30,
2004

The Tahuyeh Lake Community Club (TLCC) Board of Directors hereby approves the IAVMP for Lake Tahuyeh approved by ref. 1. The administrative IAVMP procedures discussed during development but not formally stated in the plan are as follows:

1. The Washington Department of Ecology's Lake Specialist from the Northwest Regional Office will be the point of contact for initial correspondence to initiate a change to the IAVMP.
2. The IAVMP and General NPDES Permit are valid for the same time period, and expire on July 5, 2007.
3. The Lake Tahuyeh Plan will need to be updated by July 5, 2007. Updates to the Plan will include information on Lake Conditions, effectiveness of action plan and plant control alternatives, new technologies, and new regulations etc. Updates to the Plan will be addressed to the Washington Department of Ecology's Lake Specialist from the Northwest Regional Office.
4. Washington State Department of Ecology will support the Lake Tahuyeh IAVMP against any third party lawsuits.
